Whereas, Garhbeta College, having the experience and expertise in the domain of rendering the service of higher education to the thousands of students in a pre-dominantly rural ambience since its establishment in Howrah extends itself beyond the periphery of its own locality and share a linkage with Panchla Mahavidyalaya, Howrah towards their goal of enlightening empowering and enriching students from Panchla – a pre-dominantly rural and native – and belong to the socially disadvantaged families.

Whereas, Panchla Mahavidyalaya, trying to uplift the local community by transferring college education to the youths since its establishment in 2010 agrees to join in collaboration with Garbeta College in the domain of

Quality initiative
Assessment and Accreditation
Student Exchange and Enrichment
Faculty Exchange and Professional Development
Cultural Exchange

The above linkage would be functional for a period of four years i.e. till September, 2026.

However, either of the college would have the liberty to exit the agreement – citing reasons for so – if the linkage becomes untenable for any reason whatsoever.

In addition, the linkage will not have any financial implication on either college.
