ABOUT THE COLLEGE

Panchla is a community development block which comes under the administrative division in Howrah Sadar subdivision of the district of Howrah in West Bengal. It is bounded by Jagatballavpur CD Block in the north and west, Domjur and Sankrail CD Blocks in the east and Uluberia I and Uluberia II CD Blocks in the south. Our college, Panchla Mahavidyalaya, was established in 2010, on a 3 acre plot of land handed over by The Managing Committee of Panchla Azeem Moazzam High (H.S.) School.

The college got its building in 2015. Since then, over the years our student strength has increased consistently. Parents find the college within their locality and girls from the minority community come in larger numbers. The teaching and non-teaching staff, along with the principal work as a close-knit family and do every possible thing to help give a proper environment to the students.

Students are encouraged to study hard and participate in extra-curricular activities. Participation in Mock Parliament, inter-college competitions in different aspects, educational tours, sports, debates, students' seminars, karate classes only for girls, are some to be mentioned. Career counseling sessions are arranged frequently to guide the students and give them an exposure.

The college is gradually opening its wings, gaining strength with time, moving forward with confidence and promises to evolve each day to make a difference in the lives of the students who wish to succeed in life with a good career.

**VISION:**

In Panchla Mahavidyalaya, classes started from the Academic Session 2011-12. The College started by offering B.A. General Degree in Bengali, Education, English, History and Political Science. The college caters mainly to the higher education of the local minority community, most of whom come from economically backward areas. The college strives to provide quality education to the economically backward students, and most of the students who take admission in the college are girls. The college runs a NSS unit and it also conducts annual sports, community outreach programmes. Study tours and blood donation/health camps on a regular basis apart from taking the regular academic classes. The college believes in conducting serious academic exercise and aims to provide an all-round development of the students.

MISSION:

The College believes in imparting all round education to its students. The college is located in a socio-economically backward region and so the college has to keep in mind this reality while imparting the curriculum. The college is also on the verge of opening a Students' Health Home and is awaiting the permission of the govt. of West Bengal regarding the matter. The college aims at establishing a healthy and constructive relationship between the students and community at large, apart from imparting serious academic courses to the students.

COMPOSITION OF THE GOVERNING BODY

Sl. No.	Name	Designation
1	Sri Bidesh Ranjan Bose	President
2	Dr. Arpita Mandal (Nandi)	Principal and Secretary
3	Dr. Kaustabh Lahiri	Member, Nominee, West Bengal State Council of Higher Education
4	Sri Tapas Kumar Das	Member, Govt. Nominee
5	Sk. Juber Alam	Member, Govt. Nominee
6	Prof. Sudip Kumar Acharya	Member, Nominee, University of Calcutta
7	Prof. Ena Ray Banerjee	Member, Nominee, University of Calcutta
8	Dr. Nandi Niyogi	Teacher Member
9	Dr. Sanghamitra Das	Teacher Member
10	Dr. Sanjay Dhali	Teacher Member
11	Syed Asif Ahammad	Non-Teaching Member

COMPOSITION OF IOAC 2025-2026

- **Dr. Arpita Mandal (Nandi) (Chairperson)**
- **Dr. Sanghamitra Das (Coordinator)**
- **Dr. Nandi Niyogi**
- **Dr. Nilanjan Chakraborty**
- **Dr. Sanjay Dhali**
- **Dr. Arghadip Paul**
- **Miss. Debalina Das**
- **Mr. Asif Ahammad**
- **Dr. Kaustabh Lahiri**
- **Dr. Subrata Kumar Ray**
- **Juber Alam**
- **Sri Tamal Ghosh**

INTERNAL QUALITY ASURANCE CELL (IQAC)**Aims & Objectives**

- The IQAC of the college is in charge of maintaining the internal academic quality of the college. The IQAC keeps in touch with the teachers regarding the completion of syllabus on time, maintaining an academic calendar and advising the teachers regarding the academic development of the students. 4.	Sk. Shamim Akhtar	Peon
5.	Balaram Sardar	Peon
6.	Bablu Dalui	Guard
7.	Falguni Naskar	Data Entry Operator
8.	Dali Hazra	Sweeper

CREDIT AND CURRICULUM FRAMEWORK (CCF)

Credit and Curriculum Framework (CCF) provides greater choices to the students of an institution to select from the prescribed courses (DSCC, CC, Minor, SEC). Our affiliating university, University of Calcutta has introduced CCF from 2023-24 academic session and the enrolled students have to earn their degrees in terms of Credits in eight/six semesters and within five years from the date of the registration. Credit refers to a unit by which the course work is measured. Based on the Grades earned, a Grade certificate shall be issued to the students every semester. To assess the student's performance, the institution would award marks based on the examinations conducted at regular intervals (mid-term, internal, etc.). Under CCF, an undergraduate Honours course spans for a period of four/three years and UG General Course comprises of six semesters. Each semester would have 15 to 18 weeks of academic work. If a student passes a single course in a semester, he/she doesn't have to repeat the course later. A candidate shall be eligible for the conferment of the Bachelor of Arts/ Commerce degree only if he/she has earned the minimum required credits for the relevant programme. For a student in the Honours course, he/she must attain a minimum of CGPA-4 at the end of 6 semesters to continue in the 7th Semester.

THE CCF COURSE STRUCTURE: WHAT COURSES TO STUDY IN WHICH SEMESTER**Outline of CREDIT AND CURRICULUM FRAMEWORK:**

1. DSCC: A course, which should compulsorily be studied by a candidate as a core requirement is defined as DSCC. DSCC papers are offered in History(Hons), Education(Hons),Bengali(Hons),English(Hons), Political Science(Hons).

2. Elective Course: CC papers are offered in History(Gen), Education(Gen),Bengali(Gen),English(Gen), Political Science(Gen) in the B.A. MDC course and relevant CC papers are offered in B.Com MDC course.

Dissertation/Project: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to project work, and a candidate studies such a course on his own with advisory support by a teacher/faculty member is called dissertation/project.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on training, competencies, skills, etc. Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/ MIL Communication.

4. Skill Enhancement Courses (SEC): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

5. Internship: An internship has to be done by the students of all the courses to attain their degree.

2	B.A Honours (English, Political Science)	2210
3	B.A. MDC	1910/-
4	B.Com MDC	2100/-

ADMISSION PROCESS

The institution follows the criteria stipulated in the UG Admission regulation of Govt. of West Bengal and CU. For admission in to Honours subjects, aggregate marks are calculated by adding the marks of the top four subjects in order of marks obtained by a candidate at the +2 level Exam. The college publishes the Admission Notice on the college Notice Board & the college website www.panchlamv.ac.in contain information regarding the availability of admission forms, eligibility criteria, and seats with reservation provision as per the rules and procedures of the Govt. of West Bengal and option for courses, and all other information pertaining to the admission criteria. The college introduced online admissions from the session 2014-15. The college e-prospectus comes out with necessary details relating to admission and various other informations. Admission would be done via the online mode. Admission will be in the order of merit. Applicants should not visit the college campus for admission purpose. All information regarding admission will be available on our website www.panchlamv.ac.in

CHANGE OF STREAM AND SUBJECTS

Candidates are advised to be extremely cautious while selecting streams, subjects, etc. before taking admission. Prayer for change of subject will be permitted as per CU guidelines.

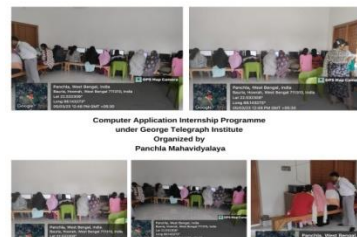

COLLEGE EXAMINATION

The college conducts internal examination in Core/General Subjects. Apart from this examination, the students are advised to sit for class tests when conducted by a teacher. The percentage of presence of the students is also allotted a considerable share of the total marks. Long absence may result in loss of marks. Absence in any of these examinations/tests will be considered a break of the academic discipline of the college and is to be seriously dealt with unless an exemption has been previously applied for and granted. To appear for the University Examination, a candidate must maintain 75% attendance.

ACTIVITIES OF THE INSTITUTION IN THE SESSION 2025-26

STUDENT CENTRIC E-LEARNING: COLLEGE APP, LMS (LEARNING MANAGEMENT SYSTEM)

The institution has the provision of LMS (Learning Management System). During the pandemic, these online e-learning windows became the backbone of maintaining academic progress and delivering the students with needed resources. The teachers shared a range of e-resources and materials through the LMS (Learning Management System) for the convenience of the students and by catering to their interests and needs, the teachers tried to encourage them in their academic journey.

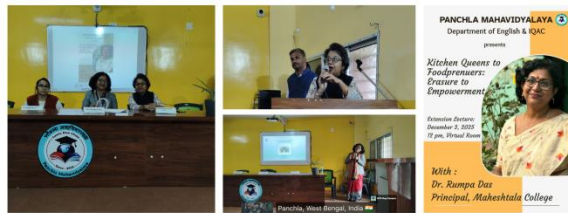

Collaborative Activities

Academic seminars and webinars are regularly organized in our college. Teachers and students participate in the various state, national, and international level seminars & workshops enthusiastically. Seminars and webinars were also organized with departmental and committee initiatives to boost the scholastic mind.

DEDICATED FACULTY (REGULAR CLASSES AND SPECIAL ATTENTION TO STUDENTS)

Teachers take regular classes following the master routine and departmental routine in the normal circumstance. Besides classroom teaching, teachers share e-resources and study materials through the LMS (Learning Management System) for the convenience of helping them define their academic journey. Dedicated faculty takes extra care to motivate students to use online platforms for their higher education.

LIBRARY RESOURCES & ORIENTATION PROGRAMME

A library plays an important role in supporting the academic activities of the college. Keeping this in mind we have been continuously upgrading the library resources to keep pace with the ever-increasing requirements of our students. Our students are also provided with web enabled computers in the library.

Educational Tour

Together with the usual class-room teaching and outdoor practical classes, educational tours with the students of the departments are arranged to different places of educational and historical importance. The Hons. Departments take educational tours to expose the students for practical gaining of knowledge.

STUDENT-CENTRIC IMPORTANT COMMITTEES & CELLS

There are different committees to address student problems and raise awareness

CAREER COUNSELLING CELL

Career counseling is done to guide our students in relation to the career opportunities in their respective areas. While our teachers help out by offering information and other related data on a regular basis, the invited career counselors also visit our college to exhibit diverse career plans and help to develop the job skills of the students.

ANTI-SEXUAL HARASSMENT CELL

The college has set up a Cell for Gender Sensitization and Prevention of Sexual Harassment following the UGC directives to look into the matters related to the prevention of sexual harassment and gender discrimination on the college campus. The cell functions as per the “Vishakha Guidelines” of the Supreme Court. Awareness and counseling programmes are regularly taken up by the cell.

ANTI-RAGGING

The college administration along with the students’ council has put in place an Anti-Ragging Committee for building and preserving a culture of Ragging-Free Environment on the campus. The functions of Anti Ragging committee is to keep a strict vigil, prevent the incidences of ragging and most importantly to create awareness amongst the students about the ill effects of ragging. The committee also educates the students by adopting various means like exhibiting posters or holding programmes regarding the menace of ragging and the related punishments there to.

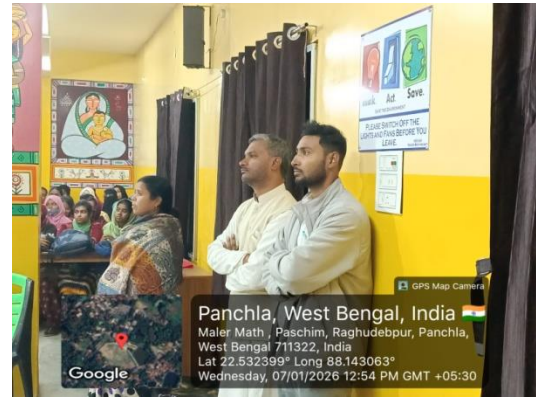

GRIEVANCE REDRESSAL

In order to promote and maintain a conducive and harmonious educational environment among the students, the Grievance Redressal Cell of our college looks into the complaints lodged by the students. They can voice any kind of discontent or dissatisfaction regarding academic and non-academic matters in the college campus freely and frankly without any fear of victimization. Complaint Boxes are installed in the college campus in which they can drop their writings or they can register their compliance through mailing to the convenor of the cell. In this respect, mentors play a very vital role in showing the ways in which he/she can lodge complaint and ask for redressal and also giving moral support to their mentees. The cell addresses their grievances promptly with an impartial and fair approach.

NSS UNIT & EXTENSION PROGRAMME

The college encourages students to stimulate their sociocultural responsibilities by actively participating in the extension programme. The extension activities, at the behest of the college, are executed by our students including the NSS volunteers. Every year students from our college are admitted as volunteers and apart from their regular activity on the college campus they regularly visit the neighbouring localities to carry out extension activities. In the process, they develop an idea of integrated existence with the marginalized sections of society. The NSS camps, on the other hand, are held to create greater awareness among the students in relation to the prevailing socio-economic situations. Our students and NSS volunteers advise the local community to maintain the sanitary conditions of toilets. To promote awareness on these issues, Swachhata Abhijaan is taken up both at the campus and in the locality. Leaflets are also distributed to ensure that there is a method ingoing about this cleanliness drive apart from mere sloganeering. A medical camp for women's health check-up is also done at the campus as well as blood-donation camps are organised on a periodical basis. Related awareness programme on the problems around Thalassemia is duly taken up by our student volunteers. Dengue Awareness programme was taken up in the neighbouring locality and leaflets were distributed on the prevention of the deadly disease. Other important Extension activities include distribution of books at neighbouring villages, educational tours to important historical places, tree plantation programmes as well as organising a special camp in a nearby village.

International Women's Day Observation

Organised by
NSS Unit & Women's Cell
Panchla Mahavidyalaya

11th March, 2026

CULTURAL ACTIVITIES

From its very beginning, Panchla Mahavidyalaya has maintained a balance between academic pursuits and cultural activities. The college observes the Antorjatik Matri Bhasha Dibosh, Women’s Day, The Borthday of Rabindranath Tagore and many other such occasions.
